

Les mots interrogatifs - Flip Flash!

But d'apprentissage:

You are going to demonstrate your knowledge of asking questions by creating a Flip Flash booklet. You will use eight different question words and form questions using **est-ce que**, each with a different subject pronoun.

Directives:

Folding your Flip Flash Booklet

1. Fold your paper in half like a hamburger.
2. Open it back up and then fold each end into your centre line to make a booklet that opens in the front.
3. Now with the booklet flaps closed, fold the bottom up to the top, and then up a second time.
4. Open up your page to verify that you have 16 even rectangles on your page.

The Outside Flaps

1. On the outside flaps of your booklet write, in **block** or **bubble** letters, one **mot interrogatif** (in French!) in each rectangle.
2. Colour each word in a different colour or design.
3. Outline each word in black or with a darker tone of the colour used.

The Inside Flaps

1. In large, thick letters, write the **English** word for the **mot interrogatif** on the inside flap. It does not need to be in colour (although that would be nice!) but it must be in **ink**.

The Inside Middle Section

1. You need to create a question using each **mot interrogatif**, and write it with **est-ce que** and a conjugated verb. (See the example)
2. You need to use a **different subject** pronoun in each question (All eight must be used – Je, Tu, Il, Elle, Nous, Vous, Ils, Elles)
3. These questions must be written in **ink**.

Consult the checkbric on the back to ensure you have done everything necessary for maximum points!
